

IMHR Stallion Return

PLEASE READ CAREFULLY BEFORE SUBMITTING YOUR RETURN

As of 01/03/2017, IMHR will only accept stallion returns via the online shop. Please **DO NOT** email or mail your stallion returns as they will be unaccounted for. Registered mail will not be collected.

Please double check that scans/resized copies of your stallion return are legible before uploading them, and that ALL mares who were exposed to the stallion are listed on his return.

Stallion returns are to be submitted by 1st August annually for each stallion who was exposed to mares - failure to submit a stallion return before foals are born will mean the resultant foals will be registered with pedigree "not on file" unless they are already registered with a recognised society (AMHA [USA], MHAA, AMPS, NZMHA, APSB, ASPC).

Alternately, the resultant foals will need to be DNA parentage verified by an equine You must be a CURRENT FINANCIAL MEMBER to lodge a stallion return.

Stallion must have up to date IMHR registration and hold a Certificate of Soundness (COS).

If you are having difficulties, please email imhrinc@outlook.com for assistance.

AFTER SUBMITTING, PLEASE RECORD YOUR ONLINE SHOP ORDER NUMBER SO YOU HAVE A RECEIPT OF LODGEMENT.

Additional receipts are NOT issued.
