\_\_\_\_\_  
Vet signature

\_\_\_\_\_  
Date signed

**Send completed form with IMHR Work Order and original registration certificate.**

Castration certificates can also be issued on veterinary paperwork but MUST include horse/pony full name, microchip/brand details, and veterinarian's signature.

Horse will be reclassified as a gelding and an updated copy of registration certificate required.

There is no additional fee to reclassify to gelding status.

Photo update fee is payable if new photos are provided and the horse is not due for upgrade.

Revoked reinstatement fee is payable if horse is more than six months overdue for upgrade.

**Postal address details are available on IMHR Work Order.**

**Save paper and postage! Update gelding status online via the IMHR Online Shop!**
